

STUDENT HELP DESK'S

technology tips for

students

Getting the most out of WebCampus

Locate Username

1. Go to the website <http://www.unlv.edu>
2. Click Enrollment/Registration from the left menu.
3. Click Register Online from the left menu.
4. Click **Go to Online Registration** at the bottom of the page.
5. Enter your SSN or Student L number.
6. Click **Continue**.
7. Enter your PIN number.
8. Click **Continue**.
9. Click **Update Address** under General Options.
10. Your WebCampus username is the prefix of your e-mail address.

Access WebCampus

1. Go to the website <http://webcampus.unlv.edu>
2. Click **Login Here**.
3. Enter your username.
4. Your password by default is your Date of Birth in MMDDYYYY format.
5. Click **OK**.
 - o On your first time logging in, you will be prompted to change your password from your Date of Birth to any password you desire. Remember, WebCampus passwords are case sensitive.
6. Once you are logged into WebCampus, you will see a list of your classes.

Access WebCampus Support Portal

1. Go to the website <http://webcampus.unlv.edu>
2. Choose the WebCampus Support Center option from the left menu.
3. A new window will open to the WebCampus Support Center, where you can access many useful support options.
